9th January 2018

VALUE ADDED TAX (VAT) – EFFECTIVE 1ST JANUARY 2018

Dear Parents,

As you are aware, the UAE has implemented VAT with effect from 1st January 2018 and a standard rate of 5% will be applied on almost all goods and services as specified by the Federal Decree Law No.(8) on Value Added Tax.

In compliance with the VAT Law, we are required to charge and account for VAT as applicable on our supplies/services and remit the said VAT to the Federal Tax Authority as from the effective date being 1st January 2018. Accordingly, we will provide you with a VAT invoice for all goods and services except for the zero rated items being Tuition Fee and Transportation Fee.

VAT invoices will be raised on all goods and services which commences as from 1st January 2018.

We suggest that you take a moment to consider how VAT might apply to you :
<https://tax.gov.ae/index.aspx>

Many thanks

Kind Regards

VHPS
